All players and support staff are expected to cooperate fully in the classification process.

No Classification for class 11 and NO re-evaluation and protest!

12.1 Requirements for classification

ITTF-PTT classification rules state that Athlete Evaluation will take place during international competitions. All athletes to be classified internationally in 2018 need to fill in the following documents:

- [Consent Form](#) (to be read and signed by Athlete. If the Athlete is under 18 or has an Intellectual Impairment, an additional signature by coach or guardian is required)
- [Medical Diagnostics Form](#) (to be filled, dated and signed by a certified health professional)

These are the steps to be followed by a NA (National Association) so that an athlete will be included in the list of athletes to be classified in a tournament.

1. Once the NA has sent the first entry for a player in an international tournament, scanned copies of both documents mentioned above have to be sent to classification@ittf.com (no later than one month before the beginning of the competition).
2. Athlete will give the original signed documents to the chief classifier at the beginning of the Athlete Evaluation process that takes place 2 or 3 days before the beginning of the competition.
3. If the Athlete has any additional medical documents available that could help classifiers to understand better the nature of the impairments, he or she will show that medical information to classification panel during the Athlete Evaluation process.

The needed forms and complete information about classification can be found at <http://www.ipttc.org/classification/documents.htm>

13. PARTICIPATION QUOTAS

In class 11 only players already classified can participate!

All other persons wishing to accompany a team (i.e. who are not members of the team) are subject to special charges and should contact the organizers for further information.
